TERMS AND CONDITIONS

FLT products are an integral part of the lighting system where they are installed. It is a condition of this warranty that the FLT product and the lighting system have been properly installed in accordance with all applicable National Electrical Codes and local building electrical codes, and are operating under conditions consistent with The Standards for Safety of Underwriters' Laboratories Inc. (UL), Canadian Standards Association (CSA) and specifications of the American National Standards Institute (ANSI). This warranty will not apply to FLT products that have been operated outside of rated conditions (as specified in the product datasheet, which is available for download from the FLT website) or under conditions of abnormal use or stress such as excessive operating temperatures, under/over voltage conditions, excessive switching cycles, cracked sockets or any other consequence of lack of system maintenance or incorrect installation or wiring. Any repairs to FLT products made by unauthorized persons or any installation or replacement of products operating in conjunction with FLT products that are not products supplied by or authorized by FLT may at the discretion of FLT void this warranty. This warranty is available solely to the original end user of the FLT product and is not assignable.

WARRANTY CLAIMS

Upon completion of installation of the FLT product the end user will receive a designated Warranty Registration Number and the published FLT Warranty Service Program. Claims made under this warranty must specify the Warranty Registration Number of the claimant. Claims may be made by contacting FLT by phone at: 1.866.323.0097 or

by email at: service@fifthlight.com. Claimant shall not return the FLT product without prior written authorization from FLT. Upon receiving authorization the product shall be returned at the expense of the claimant in accordance with FLT shipping instructions. Failure to follow this procedure shall void this warranty.

REPLACEMENT OF FLT PRODUCT

FLT shall be entitled to the co-operation of the claimant to facilitate examination of the FLT product and installation site. FLT shall have sole and exclusive discretion to determine whether any FLT product is defective and covered under this warranty. If it is determined by FLT that the product is defective and covered under this warranty, FLT will at its expense repair or replace the defective product. FLT or its service provider will install the product replacement or alternatively, FLT may at its discretion provide a labour allowance to the end user in such amount that must be pre-approved by FLT towards the installation cost.

LIMITATION OF LIABILITY

The foregoing shall constitute the sole and exclusive remedy of the end user and the sole and exclusive liability of FLT. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IS TO BE IMPLIED. FLT will not, under any circumstance, whether as a result of breach of contract, breach of warranty, tort, strict liability or otherwise be liable for consequential, incidental, special or exemplary damages including but not limited to, loss of profits or revenues or any other costs or damages.
